

COMPLETING AN ALCOHOL INVENTORY

Australian Customs require a detailed list of all alcohol being imported. To assist you in providing this information we enclose a blank inventory form, which we ask that you complete and return to Keys Bros.

Please note the following: There will be Duty, Tax & GST to be paid on all imported alcohol.

- Type of Alcohol: Please state; (e.g. whisky, gin, red wine, sparkling wine etc.)
- No. of bottles: How many bottles are there?
- Alcohol % (volume): The alcohol volume (strength shown as a percentage). It is normally written on the label (e.g. 40% proof).
- Size of bottle: (e.g. 750 mil, 1 litre etc.).
- Total AUD \$ Value: The value in Australian dollars, if you do not know the value you will need to find out, i.e. ring or go to a liquor bottle shop & obtain the price from the shelf.

Please return the completed inventories as soon as possible with any other relevant documents to Keys Bros.
